المتحدة للتوريدات الصناعية وللتجارة محالة المتحدة United Industrial Supplies & Trade

United Industrial Supplies & Trade (UIS) is a novel initiative promoted by a luminary group, located in Sultanate of Oman.

We are pleased to introduce ourselves as a quality conscious company offering a wide range of internationally branded industrial products, Detection, Measurement, Continuous Monitoring, Analysis & Control of different Process parameters like Flow, Level, Pressure, and Temperature,

Special purpose Pumping Systems, Valves, Regulators, Gas Conditioning Systems, Oil & Gas Process Equipment's, Electrical Bulk requirements/measurement and Support Systems to various industries, project consultants, and system integrators who operate in sectoral areas like Oil & Gas, Power, Water & Waste Water Treatment, Chemical, Petrochemical, Food & Beverages etc.,

With our highly motivated and experienced Engineering and Procurement team, we are able to consistently achieve our goal in making the procurement process simple and efficient for all our clients by being the sole supplier of supreme quality instruments at highly competitive prices backed with an on-time delivery.

United Industrial Supplies & Trade (UIS) is always at the outlook to diversify our profile and product range to best suit the industrial requirements of is always at the outlook to diversify our profile and product range to best suit the industrial requirements of the Middle East region and we represent (or) hold agency agreements with internationally well renowned OEM's.

ELECTRICAL PRODUCTS

We are one of the leading resellers of Electrical products within the Sultanate of Oman. Being recognized as one of the quality oriented electrical supplier in the industry, caters to a wide range of electrical products and accessories.

- Low /medium/High voltage Motors & Drives
- Cable Management Systems
- Electrical Switches, Sensors
- LAPP Cable, Data Communication Cables
- Etherline Data communication systems for Ethernet Technology
- Cables Power Cables, Fire Resistant and Fire Alarm Cable
- Earthing & Lightning Systems Industrial Plugs & Sockets
- Explosion Proof Products Junction Boxes, Plug & Sockets, Outdoor & Indoor Ex-Lightning, Temporary & Portable Lighting
- OEM Spares

INSTRUMENTATION PRODUCTS

We believe in precision which guides **United Industrial Supplies & Trade (UIS)** to be one of the foremost and largest supplier of Instrumentation products and accessories in the industry. With a dedicated service team available in house, we undertake various type of commissioning & maintenance activities on supplied products.

- Fire & Gas Detection Systems
- Temperature Measurement
- Pressure Gauges & Transmitters
- Sensors & Switches
- Instrumentation Tubing & fittings
- OEM Spares

MECHANICAL AND OIL & GAS DIVISION

We focus on delivering specialized products and services to the Oil & Gas Segment in Oman. This includes — Piping, Valves, Process Equipment, Corrosion Monitoring and other specialized services. With our in-depth knowledge and technical competency in handling the products and services, we form an effective and interactive communication between the client and the manufacturer, thereby meeting expectations consistently and delivering compliant end results.

- Vales Gate Valve, Check Valve, Globe Valve, Ball Valve, Safety Relief Valve, Instrumentation Valves, Control Valve, Firefighting / Fire protection Valve
- Pipeline Products Fittings, Flanges, Pipes, Isolation kits, Stud Bolts, Gaskets, Thermowell, Threaded Fittings, Branch Fittings, CPVC & PVC Products
- Mechanical pumps & spares
- Stainless steel Channels, Angles, Beams etc....
- HP SS pipe fittings
- Industrial tools- Hand & Power tools

LIGHTING DIVISION

- Indoor Lighting Fittings
- Industrial Lighting
- Outdoor Lighting
- · Sports Arena Lighting
- Emergency Lighting

- Street Lighting Poles & high mast
- Solar Lighting
- Specialized lighting
- Explosion Proof /Hazardous Lighting

INDUSTRIAL AUTOMATION

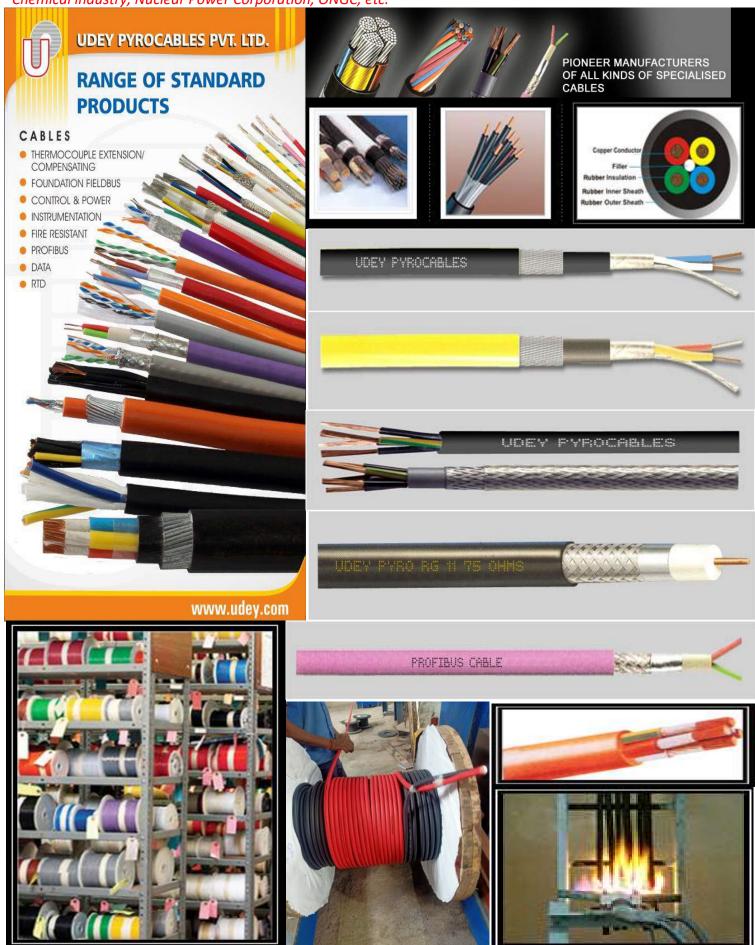

- Industrial Computers Nexcom
- Line scanner Raytek USA
- Pyrometer Land Make
- Gauges WIKA

PROJECTS & SERVICES

- Industrial Cleaning
- Industrial Painting Services
- Specialized Skilled Workers Mechanical / Electrical
- Maintenance Crews for Shutdowns
- Interior fit-outs
- Civil Engineering and Construction Minor projects
- Preliminary Engineering and Drawings
- Site Supervision for Minor projects

UDEY PYROCABLES PVT LTD

Manufacturers of speciality cables for Power, Oil, Fertiliser, Petroleum, Paper, Steel, Cement, Synthetic fibres, Chemical industry, Nuclear Power Corporation, ONGC, etc.
